Term 2

"Without good direction, people lose their way; the more wise counsel you follow, the better your chances." Proverbs

*Everything you do counts. Everything you say counts.
Everything you think can change what you do and say.*

Owen

We trust that you are finding a fresh start and positive pathways for your students. Please do not hesitate to phone for an appointment should you wish to discuss any aspect of your child's progress.

Internet Policy

Internet access is available to students for legitimate purposes only. This includes searching for information that addresses the course of study or allows for exchange of appropriate information. Students will need to request a specified time of access and print out fresh access keys each time. Large downloads of video and music materials are not allowed as these slow down the network, disadvantage other users and cost us squillions of dollars. It is not our company policy

to include students on tutors/teachers personal pages of Facebook or other public Internet tools such as this.

Time Schedules

All students should now have a first draft of their daily time schedules. These outlines reflect the time a student rises in the morning until they fall asleep at night. This gives a better view of the balance each student is hoping to achieve each day so that consistent academic progress is achieved and maintained.

Calendar

Echoes the Warwick Christian College calendar. <http://www.warwickcc.qld.edu.au/files/calendar.php>
Term Three starts Monday 19th April.

The HUB DAILY SCHEDULE

8.35.am...commence

10.30am.....morning tea
12.30pm.....lunch
3.15pm.....close

All students are reminded that at 3.10pm they must meet at the "round table" before leaving each day.

"Daily Bread"

Students need to bring their morning tea and lunch every day. There is a pantry and fridge available if bringing a week's supply helps. (eg bread rolls, loaf of bread, noodles, tinned food etc). Extra food needs to be labelled. Microwave is available. A bottle of water is also strongly encouraged.

Transfers

Parents who are considering transferring their students from Groves Christian College School of Distance Education are well advised to contact Mrs Christine Wigglesworth on **07 3827 6572** straight away. GCC policy states that families who do not give a term's notice of student transfers will be charged the term's fee. Please note this carefully and call Christine as a matter of urgency if this applies to you.

Money Matters

Invoices will be sent out in the near future for the balance of Term 1. We now operate on a 7 day account.

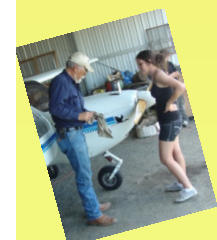

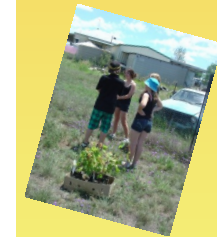

Swimming

For the small fee of a gold coin per head, we are able to use the WCC swimming pool. This is cheaper than Waves and more convenient. No credit will be extended to any student, meaning no cash, no swim.

We plan to have swimming sessions on Tuesdays and Thursdays at approximately 2.15pm while the weather is warm enough.

Ensure your child has a T-shirt

for the pool and sunscreen.

VOLUNTEERS

Volunteers are needed to assist in various ways and will be made very welcome ! A volunteer timetable is presently being constructed so please advise if you are able to help out in any way—either with special skills or just “being here”.

PARKING / DROP OFF

To drop off and pick up your child at the Hub, please drive around to your left at the top of the driveway, through the guide posts and goto one of the two drop-off bays. If you need to park , please look for the signs for “Bonney’s Tutorials” attached to the fence.

If everyone stops more or less in the marked spaces, there will be ample room for a third vehicle to pass from the parking area out onto the driveway.

Please note that the truck entry to the WCC Library

BEHAVIOUR POLICY

Making good choices is a benefit to all concerned. Behaviour choice is just like that.

In our tutorial model, students have the opportunity to not only design their own time table but also to manage their own on-task behaviours. This is achieved when the planned work is achieved at a

building site is close by. From the drop-off bays, drivers should be able to clearly see: any vehicles going to or from the building site, have clear view of the WCC entry/ exit gate and also see any traffic on the entry drive.

Students have been advised to wait patiently near the fence for transport arrivals.

Thanks for your cooperation in keeping our kids safe.

EXCURSIONS FRIDAY:

All students will normally be travelling by van and car to “Miller’s Farm” on the Allora back road.

Each student will develop their own “plot” to grow vegies.

Glen Miller (cabinet maker) will also teach basic aspects of wood craft through specific projects.

When flying time is avail-

passing grade.

Where students have a ‘junior moment’ and create a misdemeanour, they are reminded and some appropriate logical reasoning applied.

If wilful and persistent disobedience continues to occur then this is a waste of my time. Someone said that time is money. I guess it is.

In the case of persistence or one incidence of extreme misbehaviour, a report will be generated and a fee charged according to the amount of time taken to address the is-

able, the group will travel over to Massie Airport and one or two students will enjoy a free flight with Rob Behrend courtesy of the Warwick Flying School.

If time permits, a visit to the library on the way back to the “Hub” could complete the day.

TO BRING:

Long sleeved light coloured shirt for gardening; sneakers/ solid shoes
HUB POLO SHIRT (in bag)
SUNSCREEN
HAT/CAP
WATER/JUICE
ALL FOOD FOR DAY (esky available)
(extra coldwater will be supplied–).

We hope to be able to restore this project in the new term once malicious damage issues to a vehicle have been repaired and full restitution received.

sues. Specific requirements for families to follow will be detailed to fit the students need at the time.

In the unfortunate case that a student still doesn’t respond then we will be unable to assist you any further and the existing contract will be terminated.

Fees in Advance

Our standard tuition fee for 2010 is six hundred dollars per term. All payments need to be at least two weeks in advance before the start of a new term. Thank you.
